Open For Business: Annapolis Offices At Bestgate

EOA Staff | January 22, 2012 at 11:44 am

Maryland's State Capital starts 2012 with contemporary and flexible office services that would attract more businesses to thrive. Annapolis Offices at Bestgate is a collaborative effort between two established commercial real estate businesses from Annapolis and DC – Annapolis Developers Associates, Inc. and Vogel Realty, Inc. Steps away from **Westfield Annapolis** mall, the 15,000 square foot business center resides at Maryland **Higher Education Commission's** former offices at Bestgate Road in **Annapolis, MD**.

"With the State Government, Naval Academy, **Anne Arundel Medical Center** and other large groups, Annapolis has an opportunity to bring a lot of metro area and national businesses into our community. By providing businesses the opportunity to work in a flexible, no-risk office space environment, they will feel more comfortable testing the waters in our area," said Christy Dupras, President of Annapolis Offices at Bestgate. Also an Annapolis local resident, Ms. Dupras brings her expertise from being a former Managing Director for a national executive office suites company headquartered in Washington, DC to Annapolis Offices at Bestgate. "Being a part of our office community will energize your business and grow your network."

The new offices in Annapolis are now open to the public. For more information, visit www.bestgateoffices.com.
